THE WORLD OF THE BIBLE. Illustrated almanac. Issues 1–10 (1993–2004)

This journal is the first illustrated periodical in Russian history devoted to biblical scholarship and to interpretation and translation of the Bible. *The World of the Bible* was founded by Fr. Alexander Men' to promote biblical knowledge in Russia, to provide relevant study material for biblical and theological schools and to establish cooperation between biblical scholars. The journal publishes papers on the history of the ancient world in biblical times; information about philologists' and archaeologists' most recent discoveries; commentaries on difficult places of the Scriptures. Pictures enable the reader to see the land where events of biblical history took place, to meet with the remains of ancient cultures, to feel the reality of the biblical events.
