Dear Dr. Bodrov,

On behalf of the Evangelical Church in Germany it is my pleasure to congratulate you and all members of staff at St. Andrew's Biblical Theological Institute on the occasion of the institution's 25th anniversary.

St. Andrew's educational projects and its academic activities such as summer schools, translations of major works of international theological scholarship and its conferences on central questions of theology and culture are very worthwhile contributions to interconfessional and interreligious dialogue.

Please accept our warmest greetings

Sincerely yours,

Dr. Martin Illert
Oberkirchenrat
